Priority Lane

Geneva Airport offers the airline the non-exclusive possibility of using the “priority-lane” access for its premium passengers* in exchange for the payment of a fee.

The Priority Lane is located on the “Departure” level of the main terminal building of the airport. Passengers will be able to access the CSC through an automatic security gate. When passing through, the scanner will read the barcode on the passenger’s boarding card.

Priority Lane access	2 CHF per passenger
----------------------	---------------------

Geneva Airport sends a monthly invoice to the airline based on the actual number of passengers who have used the “priority-lane” access.

**The airline shall put forward the categories of premium passengers who are entitled to benefit from the “priority-lane” access for prior approval by Geneva Airport.*
